You can bet there's nothin' but net  
When I am in the zone and on a roll  
But I got a confession, my own secret obsession  
And it's makin' me lose control

Everybody gather 'round  
Well if Troy can tell his secret than I can tell mine  
I-I bake  
What?  
I love to bake, strudels, scones, even apple pandowdy  
Not another sound  
Someday I hope to make the perfect crumble  
brulee

No, no, no, no  
No, no, no  
Stick to the stuff you know  
If you wanna be cool follow one simple rule  
Don't mess with the flow, no no  
Stick to the status quo

Look at me and what do you see?  
Intelligence beyond compare  
But inside I am stirring  
Something strange is occurring  
It's a secret I need to share

Open up, dig way down deep  
Hip hop is my passion  
I love to pop and lock and jam and break  
Is that even legal?  
Not another peep  
It's just dancing  
Sometimes I think it's cooler than homework

No, no, no, no  
No, no, no  
Stick to the stuff you know  
It is better by far to keep things as they are  
Don't mess with the flow, no no  
Stick to the status quo

Listen well I'm ready to tell  
About a need that I cannot deny  
Dude, there's no explanation  
For this awesome sensation  
But I'm ready to let it fly

Speak your mind and you'll be heard  
Alright, if Troy wants to be a singer then I'm coming  
clean  
I play the cello!  
Awesome!  
What is it?  
A saw!  
No, dude, it's like a giant violin!  
Not another word  
Do you have to wear a costume?  
Coat and tie

No, no, no, no  
No, no, no  
Stick to the stuff you know  
If you wanna be cool follow one simple rule  
Don't mess with the flow, no no  
Stick to the status quo

No, no, no  
Stick to the stuff you know  
It is better by far to keep things as they are  
Don't mess with the flow, no no  
Stick to the status quo

This is not what I want  
This is not what I planned  
And I just gotta say  
I do not understand

Something is really  
Something's not right  
Really wrong  
And we gotta get things  
Back where they belong

We can do it!  
Gotta play!  
Stick with what you know  
We can do it!  
Hip hop hooray!  
She has gotta go  
We can do it!  
CrÃƒfÃƒme BrulÃƒfÃƒe!  
Keep your voice down low

Not another peep  
No!  
Not another word  
No!  
Not another sound  
No!  
Everybody quiet!

Why is everybody staring at you?  
Not me, you  
Because of the callbacks?  
I can't have people staring at me, I really can't

No!  
(No, no, no)  
Stick to the stuff you know  
(Stick to the stuff you know)  
If you want to be cool follow one simple rule  
Don't mess with the flow, no no  
Stick to the status quo

No, no, no  
Stick to the stuff you know  
(Stick to the stuff you know)  
It is better by far to keep things as they are  
Don't mess with the flow, no no  
(Don't mess with the flow, no no?)  
Stick to the status  
(Don't mess with the flow, no no?)  
Stick to the status  
(Don't mess with the flow, no no?)  
Stick to the status quo
