[Chorus:]

God has a way of working it out,
everything that you're worried about.
So don't be discouraged and don't ever doubt,
'cause God has a way of working it out.

[Verse:]

When the pressures of life are too hard for you,
when you feel forsaken,
nobody knows what you're going through.

And just when you think you can't take anymore,
God will always open a door,
yes, He will, yes, He will.

[Chorus]

[Verse]

[Chorus]

[Bridge:]

Well, I know you feel brokenhearted,
life's taken a downward spin;
but God's gonna do just what He promised,
His word declares that we win.

[Ending:]

God has a way of working it out,
everything that you're worried about.
So don't be discouraged and don't ever doubt,

'cause God has a way...

[repeat as desired]

'Cause God has a way of working it out.

God has a way of working it out.

[repeat as desired]
