Verse 1

There is a sweet anointing in the sanctuary
There is a stillness in the atmosphere
Come and lay down Come and lay down
The burdens you have carried
For in this sanctuary God is here
(repeat x2)

Chorus

He is here, He is here
To break the yoke and lift the heavy burdened
He is here, He is here
To heal the hopeless heart and bless the broken

Come and lay down
The burdens you have carried
For in this sanctuary God is here

Chorus

He is here, He is here
To break the yoke and lift the heavy burdened
He is here, He is here
To heal the hopeless heart and bless the broken

Come and lay down
The burdens you have carried
For in this sanctuary God is here

Ending

He's here, He's here come on lift up your hands
He's here
He's here, He's here, He's here, He's here,
Oh, God is here, He's here, He's here
Oh, can't you hear His voice calling
Can't you hear His voice speaking to you right now
Lord speak to us right now, speak to us right now

Oh, speak to us right now, Oh speak to us...
(Speak to us, speak to us)
Oh, we want You to speak to us
(Speak to us, speak to us)
Oh, ask Him say Lord right now
(Speak to us, speak to us)
Oh, speak to us, speak to us
(Speak Lord, speak Lord)
Oh, Lord we need to hear Your voice
(Speak Lord, speak Lord)
We need to hear Your voice
(Speak Lord, speak Lord)
Yeah, we've got to have Your voice, yeah
(Speak Lord, speak Lord)
Oh, we need to hear Your voice, yeah
(Speak Lord, speak Lord)
I've got to hear Your voice
(Speak Lord, speak Lord)
I'm not taking another step until You speak to me
(Speak Lord, speak Lord)
I'm not going anywhere until You speak to me
(Speak Lord, speak Lord)
I'm not making another move until You speak to me
(Speak Lord, speak Lord)
Speak to me, I need You to speak to me yeah, yeah
(Speak Lord, speak Lord)
Speak Lord
(Speak Lord, speak Lord)
