I know the plans I have for you  
I know just what you're going through  
So when you can't see  
What tomorrow holds  
And yesterday is through,  
Remember I know,  
The plans I have for you

I know the plans I have for you  
I know just what you're going through  
So when you can't see  
What tomorrow holds  
And yesterday is through,  
Remember I know,  
The plans I have for you

To give you hope for tomorrow  
Joy for your sorrow  
Strength for everything you go through  
Remember I know the plans I have for you
