We serve an invincible God
Come on everybody put your hands together
We serve an invincible, incomparable, mighty God

You are God
You are God
Nobody like You
You are God
No one beside You
You reign forever creator of Heaven and earth

You are God, yeah
Nobody like You
You are God
No one beside You
Invincible, incredible, so powerful You are

You are God
Nobody like you, Lord
You are God

There's nobody like You, Lord
There's nobody like You
You are king of glory, strong and mighty
There's nobody like You

There's nobody like You, Lord
There's nobody like You
You're the king of glory, strong and mighty
There's nobody like You

You are God
Nobody like You
You are God
No one beside You
You reign forever creator of Heaven and earth

You are God
Nobody like You
You are God
No one beside You
Invincible, incredible, so powerful You are

You are God
Nobody like You, Lord
You are God

There's nobody like You, Lord
There's nobody like You
You're the king of glory, strong and mighty
There's nobody like You

There's nobody like You, Lord
There's nobody like You
King of glory, strong and mighty
There's nobody like You, like You, like You
You are God

And the whole earth shall praise You
(You are Eternal)
Eternal, invincible God
You are God

Come on everybody put your hands together
He's mighty to the pulling down of every
stronghold
You serve an awesome, immortal, invincible God

Invincible God, incredible God
Incomparable, You are God
Eternal God, immortal God
Invisible, You are an awesome God

Invincible God, incredible God
Incomparable, You are God
Eternal God, immortal God
Invisible, You are an awesome God

Invincible God, incredible God
Incomparable, You are God
Eternal God, immortal God
Invisible, You are an awesome God

Invincible God, incredible God
Incomparable, You are God
Eternal God, immortal God
Invisible, You are an awesome God

Invincible God, incredible God
Incomparable, You are God
Eternal God, immortal God
Invisible, You are an awesome God

God, incredible
God, You're an awesome God
You are God, You're invincible
God, incredible God, so powerful God
You are an awesome God
Yes, You are Lord

God, God
You're an awesome God
You are God
Invincible God
So powerful God, God

You are an awesome God
You are an awesome God
You are an awesome God
You are an awesome God
Invincible
