Lead solo

Is anybody ready to dance  
Oh you outta praise Him like king David did  
Come on somebody, pick up your feet and begin to  
dance before the Lord  
with all of your might

Come on lets dance  
ya ya ya ya  
oh oh oh oh

\*Chorus\*

Oh its time to dance  
pick up your feet  
Let everybody know that you are free

It's time to dance

\*Chorus\*

Theres a time to weep  
A time to laugh  
Oh but theres no time to mourn your past

Because this moment has no second chance  
So right now come on and dance

\*Chorus\*

Theres a time to weep  
A time to laugh  
Oh but theres no time to mourn your past

Because this moment has no second chance  
So right now come on and dance

\*Chorus\*

Lead:

Dancin, dancin, dancin  
OHOOOH Yeah  
Come on woo  
Here we go yeah, yeah, yeah  
Feels like a party in this place  
come on put your hands together  
oh yeah yeah  
somebody say

Vamp:  
Dance- get on your feet  
Dance- Just follow me  
Dance- we're gonna praise Him all night long

\*Chorus\*

The end  
It's time to dance
