[Chorus:]

He's A Mighty God
Powerful and Holy God
He's A Mighty God
Powerful and holy God Yeah
He's a Mighty God
Powerful and Holy God
He's A Migthy God, Mighty Mighty God

[Bridge:]

For we wrestle not against flesh and blood
but against principalities, in the heavenlies
And we will stand and behold our ground
for we have all authority, power in Jesus name
Don't you worry 'bout a thang

[Repeat From Top]

Vamp:

Powerful, Mighty & Holy
King of Kings, His name is Worthy
Mighty God, He's a Mighty God

[Ending:]

Don't You Worry 'bout a thang!
