Chorus #2

All that was stolen is returned to you a hundred fold it's right in the fire but you're coming out gold.
Do you believe it? Do you believe it? Yes I believe it.I feel the need to explain I feel the need to explain.Look at somebody next to you look them right in the eye you might need a little help here a little bit of light here.Tell them all that was stolen. All that was stolen.Is returned to you.Is returned to you a hundred fold, a hundred fold.Make sure they enjoy that part. Is that alright with you? Is that okay if we return this a hundred fold back to you? It's right in the fire tell them, It's right in the fire. It's right in the fire. But you're coming out. But you're coming out. Gold. Gold. Grab them by the hand and pull on them gently just say you're coming you're out. You're coming out. I want you to understand that. Now this is a church with many generations representing in it. There's some seasoned vetren and there's some young folks. And maybe some of you weren't raised in church all of your life so maybe you might relate to what we're saying a little bit better if you remember the words to that prophetic song by Diana Ross. What she say Margaret?

I'm coming out
I'm coming
What she say now?
I'm coming out
Come on Come on you don't have to stay there you don't have to stay there.
I'm coming
I'm coming out
I want the world to know
I'm coming

I'm coming out yeah
I'm coming
I want the world to know got to let it show
I'm coming out

All right let's try it one more time
