Say the name of Jesus
Say the name of Jesus
Say the name so precious
No other name I know
Say The name of Jesus
Say the name of Jesus
Say the name so precious

That can calm your fears, and dry your tears and wipe
away your pain
When you don't know what else to pray
When you can't find the words to say
Say the name
Ooh ooh oh

Say the name come on and say the name
Say the name of Jesus you just gotta say the Name of
Jesus
Come on and say the name
So Precious
No other name I know
Say the name of Jesus
That wonderful name of Jesus
That can calm your fears it will dry all your tears, it will
wipe away your pain

When you don't know what else to pray
When you can't find the words to say
When you can't make it through another day

Say the name
Ooh ooh ohoh
Jesus- there's something about that name of Jesus
Jesus- There's healing in that name of Jesus come on
say
Jesus- there's deliverance in the name of Jesus
Jesus oh ooh oh my savior forever is Jesus
Jesus he sticks closer, closer than any brother yes he
does
Jesus he's a friend like no other oh yes he is
Jesus oh what a friend what a friend we have in Jesus
Jesus yet he's gonna make a way when you say Jesus

Oh Jesus, Jesus, Jesus, Jesus, Jesus I wish somebody
Would help me give God the Praise
Say the name say oh Jesus, Jesus Doctor, Lawyer,
Friend that's who Jesus is
Jesus Ooh He's Gonna make a way when you say Jesus
Oh Jesus, Jesus help Me say ooh ooh yes

When you don't know what else to pray
When you can't find the words to say
When you can't make it through another day
Say the Name ooh ooh oou yea
Somebody say the name
Halleluah
