When he came, when he came
Little baby came to earth
Born to Mary in Bethlehem
Son of God of virgin birth
A baby born, oh come let us adore
This special day, the whole world changed,
When he came, when he came

A baby came to be
The messiah, the lamb of God
Born to set us free
A precious life became a sacrifice
The special day the whole world changed
When he came

Chorus
He came to give us royalty
When he came he set the captives free
He gave us life abundantly
He came for you, he came for me
When he came he taught us how to live
When he came he showed us how to give
He gave us power over sin
He came now we can live again

When he came, when he came
The promised one arrived
Bringing joy to every life
Hope for all mankind
A Savior born became the risen Lord
This special day,
The whole world changed
When he came

Chorus
He came to give us royalty
When he came he set the captives free
He gave us life abundantly
He came for you, he came for me
When he came he taught us how to live
When he came he showed us how to give
He gave us power over sin

He came now we can live again

When he came
When he came
When he came
All of the world was changed
When he came
When he came
So glad he came
Now we can live again

He came to live, he came to die
He came to be a sacrifice
He came to be our destiny
He came for you and me

A baby born, O come let us adore
This precious life became a sacrifice
A Savior born became the risen Lord
This special day
The whole world changed
When he came... I'm so glad he came
