Life used to be so dark and cold  
A bitter wind blowin' through my soul  
But now I've gotta let you know  
Everything changed it's a miracle

Hard to explain how it came to be  
Yesterday I was blind, today I see  
This love I have so wonderful  
Cause everything changed it's a miracle

Oh what a beautiful season  
Oh and Jesus is the reason

Chorus  
It's gonna be a white Christmas  
Into the new and out of the old  
Though my sins were red as crimson  
Now they're white as snow

It's gonna be a white Christmas  
The past is passed away  
And it's a brand new day because of Jesus  
It's gonna be a white, white Christmas  
This can be the year for change  
Where Christmas happens everyday  
And joy returns to you in full  
This is your day for a miracle

Dreams and destiny renewed  
What he's done for me, He can do for you  
So open up your heart once more  
This is your day for a miracle

Chorus  
It's gonna be a white Christmas  
Into the new and out of the old  
Though my sins were red as crimson  
Now they're white as snow

It's gonna be a white Christmas  
The past is passed away  
And it's a brand new day because of Jesus

It's gonna be a white, white Christmas

More than just a fantasy  
It can be reality  
If you believe... it's not a dream

Chorus

It's gonna be a white Christmas  
Into the new and out of the old  
Though my sins were red as crimson  
Now they're white as snow

It's gonna be a white Christmas  
The past is passed away  
And it's a brand new day because of Jesus

It's gonna be a white Christmas  
The past is passed away  
And it's a brand new day because of Jesus  
Because of Jesus  
It's gonna be a white, white Christmas
