I know you're tired,
I know you're worn, I know you're torn
You're losing all your hope
'Cause you're a long way from home
Oh, I know you're worried
I know you're scared.
I'd like to put my arms around you
And tell you I care.
Hope is in Heaven, not far away
Just close your eyes, he hears what you say.
Feel him around you, He's everywhere
Reachin' to touch you, Know that he is there.
Deep in the heart of a war,
He hears a Soldier's Prayer.
Ask and he'll protect you, guide where you go.
Keep you from evil that tears at your soul
Oh, speak to the Father, say what's on your mind
It just takes a moment, if you'll take the time
Hope is in Heaven, not far away
Just close your eyes, he hears what you say.
Feel him around you, He's everywhere
Reachin' to touch you, Know that he's there.
Deep in the heart of a war,
He hears a Soldier's Prayer.
Let's pray for hope, Let's pray for peace
I pray for you and you pray for me
I'll pray for heaven to hear what you say
All of God's children will find out one day
Deep in the heart of a war
God heard a Soldier's Prayer.
