Heaven knows where Iâ€™d be now

If you had not found me

On that road that takes a man

To place heâ€™s not meant to be.

I wasnâ€™t ready for the touch

That turned my life around

Now Iâ€™m helpless in your hands

Itâ€™s love that ties me down.

Chorus :

Angel of mercy

Girl you take my breath away

And it feels so good it hurts me

To think that you might fly away

Canâ€™t you see that Iâ€™ve surrendered

You stole this old heart blind

Youâ€™re an angel of no mercy

But I donâ€™t mind.

Ainâ€™t it strange how love can take

A heart thatâ€™s hard as steel

Hold it tightly in the fire

And teach that cold heart now to feel.

Touch me now, Iâ€™m still not sure

Youâ€™re truly flesh and bone

Heaven knows you canâ€™t be from

This world that I live on.

Repeat Chorus
