Before you I was totally lost  
And so hopelessly sure I'd end up by myself  
I was so unaware there was someone out there  
For me who'd love me like nobody else

Then you gave me something that I always wanted  
Now I'm giving it all back to you

Darlin' completely  
With all of my soul  
I was so empty 'till you made me whole  
Girl, you complete me  
More every day  
I promise forever to love you this way  
Right from the start  
Girl, I'll give you my heart  
Darlin' completely

I did time as a single man year after year  
And right when I almost gave up  
Way up high on a ledge leaning over the edge  
I was mercifully saved by your love

It might take a lifetime  
But I know that I'll find the right words to tell you  
I'm yours

Darlin' completely  
With all of my soul  
I was so empty 'till you made me whole  
Girl, you complete me  
More every day  
I promise forever to love you this way  
Right from the start  
Girl, I'll give you my heart  
Darlin' completely

Right from the start  
Girl, I'll give you my heart  
Darlin' completely

Oh girl, completely
