I hope it won't be that wrong anymore  
Maybe I've learned this time  
I hope that I find what I'm reaching for  
The way that it is in my mind

Someday I'll get over you  
And I'll live to see it all through  
Still I'll always miss dreaming my dreams with you

But I won't let it change me, not if I can  
I'd rather believe in love  
And give it away as much as I can  
To those that I'm fondest of

Someday I'll get over you  
And I'll live to see it all through  
Still I'll always miss dreaming my dreams with you

Someday I'll get over you  
And I'll live to see it all through  
Still I'll always miss dreaming my dreams with you

Someday I'll get over you  
And I'll live to see it all through  
Still I'll always miss dreaming my dreams with you  
Still I'll always miss dreaming my dreams with you

Someday I'll get over you  
Someday I'll get over you
