you look like you're feelin' like
the rain won't ever stop
life has left you standing there
one against the odds
from now on you need to know
you don't have to stand alone

when world turns you in circles
and the wind is at your face
and you need somewhere to run to
i know the place
if you want someone who's willin'
to lay down their heart
someone to dry your tears
i'm here
I VOLUNTEER

a shoulder , a caring voice
to tell you it's ok
two arms meant to share to you

if ever you're afraid
i've got that and more to spare
say the word & i'll be there

when the world turns you in circles
and the wind is at your face
and you need somewhere t run to
i know the place
if you want someone who's willin'
to lay down their heart
someone to dry your tears
i'm here
I VOLUNTEER

if you want someone who's willin'
to lay down their heart
someone to dry your tears
i'm here
I VOLUNTEER
