Baby, please don't get too close to me
'Cause that ring you're wearin' says that you're not free
If I said I didn't want you, well, you know I'd be a liar
But you better run while there's still time
'Cause I can't stop this fire

I want you bad, I can't help myself
But you belong to someone else
I'd leave you alone, darlin', if I could
But I want you bad and that ain't good

Baby, please put away those ruby lips
And those big blue eyes are too hard to resist
I'm not that kind of man, oh, and usually I'm strong
But it's gettin' hard to tell between
What's right and what is wrong

I want you bad, I can't help myself
But you belong to someone else
I'd leave you alone, darlin', if I could
But I want you bad and that ain't good

I want you bad, girl, that ain't good
I want you bad, bad, bad and that ain't good
