(Jim Daddario/Tom Douglas)

We are born one fine day
Children of God on our way
Mama smiles daddy cries
Miracle before their eyes
They protect us til' we're of age
Through it all love remains

Boy moves on and takes a bride
She stands faithful by his side
Tears and sweat they build a home
Raise a family of their own
They share joy they share pain
Through it all love remains

Kingdoms come and go but they don't last
Before you know the future is the past
In spite of what's been lost
Or what's been gained
We are living proof that love remains

I don't know baby what I'd do
On this earth without you
We all live we all die
But the end is not goodbye
The sun comes up the seasons change
But through it all love remains
An eternal burning flame
Hope lives on and love remains
