O holy night
The stars are brightly shining
It is the night of our dear Savior's birth

Long lay the world in sin and error pining
Till He appeared and the soul felt its worth
A thrill of hope, the weary world rejoices
For yonder breaks a new and glorious morn

Fall on your knees
Oh, hear the angel voices
Oh night, divine
Oh night, when Christ was born

Oh night, divine
Oh night
Oh, night divine

Truly He taught us to love one another
His law is love and His gospel is peace
Chains shall He break, for the slave is our brother
And in His name, all oppression shall cease

Sweet hymns of joy
In grateful chorus raise we
Let all within us praise His holy name

Christ is the Lord
Oh, praise His name forever
His power and glory ever more proclaim
His power and glory ever more proclaim

Fall on your knees
Oh, hear the angel voices
His power and glory ever more proclaim

Oh night, divine
Oh night, when Christ was born
His power and glory ever more proclaim
