O holy night  
The stars are brightly shining  
It is the night of our dear Savior's birth

Long lay the world in sin and error pining  
Till He appeared and the soul felt its worth  
A thrill of hope, the weary world rejoices  
For yonder breaks a new and glorious morn

Fall on your knees  
Oh, hear the angel voices  
Oh night, divine  
Oh night, when Christ was born

Oh night, divine  
Oh night  
Oh, night divine

Truly He taught us to love one another  
His law is love and His gospel is peace  
Chains shall He break, for the slave is our brother  
And in His name, all oppression shall cease

Sweet hymns of joy  
In grateful chorus raise we  
Let all within us praise His holy name

Christ is the Lord  
Oh, praise His name forever  
His power and glory ever more proclaim  
His power and glory ever more proclaim

Fall on your knees  
Oh, hear the angel voices  
His power and glory ever more proclaim

Oh night, divine  
Oh night, when Christ was born  
His power and glory ever more proclaim
