When she said, There's someone you should meet
At a crowded restaurant way cross town
He waited impatiently
When she walked in their eyes met
and they both stared
And right there and then
Everyone else disappeared

Chorus:
One boy
One girl
Two hearts beating wildly
To put it mildly it was love at first sight

And for a moment the whole world
Revolved around one boy
And one girl

And he raised her veil
Like the night they met

Chorus

He was holding her hand
When the doctor looked up and grinned
Congratulations
Twins
