Collin Raye

You grew up in the city a high society girl  
And even this backwoods boy can tell  
You're a woman of the world  
Cause I get weak when I hear you speak  
The way they do in France  
I'm sure you've heard these fancy words  
But IÃ¢â€Œ™ ve got to take a chance

Refrain

Oh s'il vous plait pardonne me!, I can help my self  
Darling jÃ¢â€Œ™ ai vous aimes beaucoup, it's you and  
no one else  
Forgive me if I say it wrong, but I just ain't that smart  
If you can't see this love in me, then 'scuse' moi my  
heart

I showed up in New Orleans  
With all I own on my back  
I got me a job at the country club  
On the rich side of the track  
Then you came in with your jet set friends  
That you met in "Paree"  
Well now they're gone and you're alone looking  
straight at me

Refrain

Oh s'il vous plait pardonne me!, I can help my self  
Darling jÃ¢â€Œ™ ai vous aimes beaucoup, it's you and  
no one else  
Forgive me if I say it wrong, but I just ain't that smart  
If you can't see this love in me, then 'scuse' moi my  
heart

Bridge

Why can't we try the language of love  
The one thing you can't place your self above  
Oh donÃ¢â€Œ™ t allow your social pride  
To keep our dreams apart  
If you can't see this love in me  
Then 'scuse' moi my heart

Refrain

Oh s'il vous plait pardonne me!, I can help my self

Darling j'Ã©coute ai vous aimes beaucoup, it's you and  
no one else

Forgive me if I say it wrong, but I just ain't that smart

If you can't see this love in me, then 'scuse' moi my  
heart
