You made up your mind
It was time
It was over
After we had come so far
I think theres enough pieces of forgivness
Somewhere in my broken heart

I would not have chosen
The road
You have taken
It has left us miles apart
I think I can still
Fnd the will
To keep going
Somewhere in my broken heart

So fly
Go ahead and fly
Till you find out who you are

And I
I will keep my love unspoken
Somewhere in my Broken heart

I hope that in time
You will find
What you long for
Love thats written in the stars
When you finally do I think you will see it's
Somewhere in my broken heart

Girl I
I will keep my love unspoken
Somewhere in my broken heart

I hope that in time
You will find
What you long for
Love thats written in the stars
When you finally do
I think you will see it's
It's somewhere in my broken

Somewhere in my broken
Somewhere in my broken heart
