When it's just not your day  
The whole world's on your case  
tears rollin' down your face  
It's more than you can take

I, I wanna take care of you

Wanna do it all yourself  
Don't want anybody's help  
I know your tough as nails  
Remember, girl, when all else fails

I, I wanna take care of you

Chorus-  
Surrender, baby, I'm right here  
Let go of all your doubts and fears  
Turn 'em off, lay 'em down  
All on me, right here, right now  
All those voices in your head  
Doesn't matter what they said  
Just let me do what I was born to do  
I wanna take care of you

When you fo and chase yoru dreams  
And give them your everything  
Lookin' back it semms  
Baby, you can count on me

I wanna take care of you

Chorus

I wanna take care of you, my baby!

Chorus

I wana take care of you  
yes, I'm gonna take care of you.
