He came to town on an old freight train  
He jumped off in the pouring rain  
Everybody says he's insane  
Just a low down no account hobo

He made his bed beneath the county bridge  
The city folks said hey, that's not his  
They signed a petition they're gonna get rid  
Of that low down no account white trash

What if Jesus comes back like that  
On an old freight train in a hobo hat  
Will we let him in or turn our back  
What if Jesus comes back like that  
Oh what if Jesus comes back like that

She was born into drug abuse  
She couldn't help what her mama used  
It wasn't like she got to choose  
Now she's layin' there all alone

Got a monkey on her back  
The nurses say they never saw a smile like that  
Doctor says she might stand a chance  
If somebody takes her home

What if Jesus comes back like that  
Two months early and hooked on crack  
Will we let him in or turn our back  
What if Jesus comes back like that  
Oh what if Jesus comes back like that

Nobody said life is fair  
We've all got a cross to bear  
When it gets a little hard to care  
Just think about him hanging there

He came to town on a cold dark night  
A single star his only light  
The baby born that silent night  
A manger for his bed

What if Jesus comes back like that  
Where will he find out hearts are at  
Will he let us in or turn his back  
What if Jesus comes back like that  
Will he cry when he sees where our hearts are at  
Will he let us in or turn his back  
What if Jesus comes back like that  
Hey what if Jesus comes back like that
