If you've ever wondered
When you pray at night
If it makes a difference
If it sets things right

Everytime we say our prayers
Whispered in the dark
Somewhere deep inside you
You know with all your heart

As sure as God's in Heaven
There's someone who cares
And somebody's listenin'
When you say your prayers

A prayer can be a thank you
A prayer can be a wish
A prayer can say I'm sorry
Like a hug or like a kiss

It doesn't have to be just right
God hears you loud and clear
As long as it comes from your heart
It goes right to his ear

As sure as God's in Heaven
There's someone who cares
And somebody's listenin'
When you say your prayers

As sure as God's in Heaven
There's someone who cares
And somebody's listenin'
When you say your prayers

Just know somebody's listenin'
When you say your prayers
