Sometimes I feel  
So misunderstood  
The whole world looks at me like I'm crazy

Sometimes my words  
Don't come out like they should  
But somehow you know what I'm saying

You get me  
You know me  
We're connected  
It's a soul thing  
You read me like a book  
You've memorized inside and out  
My reason  
My purpose  
My deep down  
My surface  
You're the only one who's ever had a clue  
What I'm about  
You get me

When I'm with you  
Talk about comfortable  
It's so easy to myself

There are no games

No awkwardness at all  
I've never felt this way  
With anyone else

Oh, you get me  
You know me  
We're connected  
It's a soul thing  
You read me like a book  
You've memorized inside and out  
My reason  
My purpose  
My deep down  
My surface

You're the only one who's ever had a clue  
What I'm about  
You get me

When you look at me  
I see...

My reason  
My purpose  
My deep down  
My surface  
You're the only one who's ever had a clue  
What I'm about  
You get me
