Now we kiss goodbye; you'll be off to war, the battle's
on
I don't wanna cry as I stand and watch your ship sail on
Now when you're out to sea and the sky is dark and
water surrounds you
And your heart just won't be 'cause you feel as if our
loneliness will drive you

Forget me not, boy
Let my love comfort you
Comfort you and see you through
Forget me not, boy
Lock my mem'ry in your heart
And we'll never be apart

Remember Old Joe's, our favorite song, our table for 2?
Well, heaven knows, these little things I'll share with no
one but you
Wherever you are, no land and sea And time will divide
us
No matter how far, back to each other's arms our love's
gonna guide us

Forget me not, boy
Write a letter every day
Don't throw my picture away
Forget me not, boy
Let my love within you burn
I'll be here when you return

(Spoken):

Each night I will pray for peace on earth, goodwill to all
men
& my little heart will say these tender words time and
time again:

Forget me not, boy
Let my love within you burn
I'll be here when you return
Forget me not, boy
Lock my mem'ry in your heart
And we'll never be apart

Forget me not, boy
