Ooh, baby, we've tried love's recipe

Added each ingredient tenderly

A little bit of you, a little bit of me

And we've got honey love

Gone are the clouds

That darkened your sky

Gone are the tears I used to cry

Cause we've got H-o-n-e-y

Honey, honey love

Oh, darling, every life needs

Sugar and spice sometimes

Each kiss adds a little sugar

Just a pinch of spice

Ooh, we've got a love divine

One day we'll put the icing on top

The very day we tie that knot

Ice cream soda, ginger ale pop

Hey, it's sweet as honey, honey

Honey, honey, honey

(Honey, honey love)

(Honey, honey love)

We'll take a little sunshine, one loving cup

Just a little sunshine and you brighten up

We'll have sweet tomorrows

Cause with love and tender care

We'll build a sweet cottage for two

With all the tenderness love can do

A little bit of me, a little bit of you

And we've got honey, honey

Honey, honey, honey

We've got it, baby

Nothing can ever come between us

Cause we've got honey, honey

Honey, honey, honey
