My baby loves me, oh, yeah  
My baby needs me, oh, yeah

No other guy can whisper  
Sweet things in my ear  
My sweetie pie has the  
Only sweet voice I hear, so clear

Saying he needs me (he needs me)  
(He really, really needs me)  
Oh, yeah (oh, yeah)  
My baby loves me (he loves me)  
(He really, really loves me)  
Oh, yeah (oh, yeah)

I'm telling you he  
Needs me (He needs me)  
(He really, really needs me)  
Oh, yes, he does (oh, yeah)

Can't seem to see  
No other handsome face  
There's just no cute substitute  
Can take my baby's place

Cause I know he  
Needs me (he needs me)  
(He really, really needs me)  
Oh, yeah (oh, yeah)

I will never ever  
Give my baby no trouble  
Whenever he calls me  
I come running on the double

Cause I know he  
Loves me (he loves me)  
(He really, really loves me)  
Oh, yeah (oh, yeah)

And he needs me (he needs me)  
(He really, really needs me)

Yes, he does (oh, yeah)

Yeah, yeah

Yeah, yeah, yeah

(Yeah, yeah, yeah, yeah, yeah)

Yeah, yeah

Yeah, yeah, yeah

(Yeah, yeah, yeah, yeah, yeah)

Now nobody can tell me

The place where I'm

Going wrong, oh, no

Nobody could ever erase

The love so strong

Cause I know he

Loves me (he loves me)

(He really, really loves me)

He told me that

He needs me (oh, yeah)

I know he loves me

(Yeah, yeah, yeah, yeah, yeah)
