(Since you've been gone I've been cryin' all night long,  
I've been sad)

I see my tear-stained face when I look in my mirror  
I stare in space as night grows nearer, cryin'  
I need you, baby, I need you  
I need you, baby, I need you  
I just sit & wonder, did you fall for someone else?  
'Cause if I hurt you, baby, I really hurt myself, oh  
I need you, yes I really need you  
I need you, you know I need you

What am I gonna do without your love?  
What am I gonna do without you, baby?  
I'm slowly slowly goin' crazy  
I need you, I really really need you

I just sit & mope by myself; like part of my household  
fixtures  
These arms of mine are holdin', clingin' to your picture,  
cryin'  
I need you, yes I need you  
I need you, baby, I need you  
Come on, come on right now, baby  
Yeah yeah yeah yeah, oh  
I need you, yes I really need you

What am I gonna do without your love?  
What can I do without you, baby?  
I'm slowly slowly goin' crazy  
I can't stand it, I just can't stand it  
Here's a broken heart & a love that's slowly dyin'  
A room full of tears & a heart, a heart that's cryin', oh  
I need you, yes I really need you  
I need you, you know that I need you  
Come on, come on right now, baby  
If you love me, come back, baby  
Oooo yeah, baby, oh tell me right now

What am I gonna do without your love?  
What can I do without you?  
Come on, come on back to me, baby

... & fade
