Girls

You've been in love too long  
(You're a fool for your baby)  
Don't you know, girls  
You've been in love too long  
(You're a fool for your baby)

When just his smile  
Takes all your pain away  
And you find yourself believing  
Whatever he may say

Now when he keeps you crying  
But your heart tells you  
Girl, keep right on trying

Girls

You've been in love too long  
(You're a fool for your baby)  
Don't you know, girls  
You've been in love too long  
(You're a fool for your baby)

When you accept his wrongs  
Just to share his kiss  
And even your lonely nights  
Are filled with happiness

Now girl, you're in trouble  
You know your heart  
Is seeing double

When your head tells you to run  
But your heart says  
He's the only one

Girls

You've been in love too long  
(You're a fool for your baby)

(Girl, you've been  
In love too long)

Poor fool

Cause when a week  
Of loneliness can be erased  
Eith just one sweet caress

Girls

You've been in love too long  
(You're a fool for your baby)  
I said girls, oh, yeah  
Poor fool

When his wrongs look right  
Though he always treats you bad  
When you find little excuses  
For all the sadness and abuses

Don't you know, girls  
You're in love, oh, no  
You're just a fool for your baby  
(You're a fool for your baby)

Girls

You've been in love  
Too long, poor fool  
(You're a fool for your baby)
