Love is a stranger in an open car  
To tempt you in and drive you far away  
I said love is a stranger in an open car  
To tempt you in and drive you far away

Well love, love, love is a dangerous drug  
You have to receive it  
But you still can't get enough of the stuff

And I want you  
And I want you  
And I want you so  
It's an obsession

And I want you  
And I want you  
And I want you so  
It's an obsession

Love is a danger of a different kind  
To take you away and leave you far behind  
I said love is a danger of a different kind  
To take you away and leave you far behind

It's savage and it's cruel  
And it shines like destruction  
Comes in like the flood  
It seems like religion

It's noble and it's brutal  
It distorts and deranges  
And it wrenches you up  
And you're left like a zombie

And I want you  
And I want you  
And I want you so  
It's an obsession

And I want you  
And I want you  
And I want you so

It's an obsession

It's guilt edged glamorous  
And sleek by design  
You know it's jealous by nature  
False and unkind

It's hard and restrained  
And it's totally cool  
It touches and it teases  
It stumbles in the debris

And I want you  
And I want you  
And I want you so  
It's an obsession

And I want you  
And I want you  
And I want you so  
It's an obsession

And I want you  
And I want you  
And I want you so  
It's an obsession
