Baby,
Kiss me goodbye.
Throw me the keys and don't you dare cry.
And if you wanna know,
Why I'm leavin',
I left you a note,
With all my reasons.

Chorus
It's not a picture perfect world,
Now I'm leavin',
I'm not that picture perfect girl,
You won't be seeing,
Anymore.

Baby,
Don't be such a baby.
I don't have a lifetime,
To waste on a man.
Who needs to grow up,
And learn how to give love.
I'm talkin' about the real stuff.
Now it's too late,
Too bad.

Chorus

You better take a picture of me
If you ever wanna see me again.
It's something to look back on,
When you think about what might have been.

Chorus
