It's always like that  
the same morning routine  
early out of my bed  
nothing out there for me

know by heart all the lines  
there's no twist in the plot  
like a rerun on tv  
nothing out there for me

but i dunno why  
and i can't say why

I'm buying things from your past  
buying things from your past  
can make me a better man  
a better man  
I guess

it's been always the same  
with every lover you had  
they have been nothing but  
sunday drivers of your heart

but you dunno why  
I can't say why  
yeah you dunno why  
and i just can't say why

you're buying things from my past  
and i am buying things from your past  
buying things from your past  
can make me a better man  
a better man  
at last  
at last

hey this time we are going on a ride  
like a rerun on tv It's you and me  
fight the same ol' fears  
at last  
fighting the same ol' fears
