They're so small
Can't you see they are so small?
They're so small
Can't you see they are so small?
They're so small
Can't you see they're so small?
Small
small

They can't see
Can't you see they just can't see?
They can't see
You
Me
You
Me

They're so small
Can't you see they are so small?
They're so small
Can't you see they are so small?

Small
Small
Small

Oh lord guess I am small too
But I gotta a different size
'Cause I don't fit in their shoes
oh lord won't you help me out won't you?
'Cause i wanna live and feel good too

they're so small
can't you see they are so small?
they're so small
can't you see? they're so
small
small
they can't see
can't you see they just can't see?
they can't see
you

me
you
me

oh lord won't you help me out won't you?
