Well isn't right ? and isn't wrong ?  
at the same time that I want you girl ?  
and isn't right ? That I came here tonite  
and you're down here too  
at the bar in the corner under that blue light ?

and isn't right ? you show me a little smile ?  
and isn't wrong ? 'Cause the people you're with are  
no good

walkout of this club with me  
cmon baby walkout  
walkout of this club with me  
take my hands and please now baby walkout  
cmon baby walkout  
walkout of this club with me right now

well isn't right? and isn't wrong?  
at the same time  
that I want you by my side ?  
and isn't right ? and isn't it wrong ? at the same time  
that I am risking my health for you tonight ?

me? I am not part of anything  
but I know my desire  
so is life about buying a house or a car?  
or is it about those few moments we have?  
well I hope you agree with that  
cause I am walking up to your table right now  
I am walking through the crowd  
on the dancefloor  
gettin closer  
and I will ask you just a single time

walkout of this club with me  
cmon baby walkout  
take my hand and walk right out with me  
cmon baby walkout  
take my hands and please now baby walkout

cmon baby walkout  
walkout of this club with me right now

walkout  
walkout  
walkout of this club with me right now  
cmon baby walkout  
cmon baby walkout  
cmon baby  
walkout  
walkout  
walkout walkout walkout  
right now  
walkout cmon baby walkout
