A cry for help is a cry for need  
I have cried myself and help I have seen  
I have seen  
Love came down like a shower of rain  
And out of the blue I was rescued again  
Out of the blue

REF

I didn't think a friend could hear me  
I didn't think a friend would care  
The only reason I don't be hurt now  
Because you're always there  
I can feel it in your loving arms  
I can feel it in your loving ways  
I can feel it in your tenderness  
Out of the blue  
Out of the blue

A word in trust  
Has turned my key  
And unlocked the chains that were holding me  
Holding me  
I felt rejection and I took the strain  
And out of the blue I was rescued again  
Out of the blue

REF

I flew with the angels in the back of my mind  
And I've got above myself  
I knew I have been waiting for the longest time  
To get back into my world

I can feel it in my loving arms  
I can feel it in my loving ways  
I can feel it in my tenderness  
Out of the blue  
Out of the blue oh lord  
I can feel it  
Oh I can feel it  
I can feel it in your loving arms  
Out of the blue
