Get a grip on your emotions
Get a grip on your grief
Tell us something will be changing
Take a trip of belief
Get a taste for affection
Get a word for that fear
Tell me something for nothing
Take a moment to hear

And all that you are,
Is maybe all that you see
And if you take a chance
Out of this world

Get a grip on expectations
Get a grip on your sins
No one waits forever
Tell her beautiful things

And all that you are,
Is maybe all that you see
And if you take a chance
Out of this world

Just the two of us
Out of this world
Something new for us
Out of this world
Just the two of us
Out of this world

Get a taste of acceptance
Get a hold of your day
And if you suffer from miracles
You're welcome here to stay

And all that you are,
Is maybe all that you see
And if you take a chance
Out of this world (repeat)
