sunshine and buttercups and rainbows  
sunny days and warm rain even when it snows

any weather, it will do  
as long as i'm with you

but you smell like cheese  
cream cheese  
you got brownies all over my sofa  
and i had to clean it up  
ahhhh ahhh

you threw sparklers at my porch  
i had to clean it up myself  
it burned right through  
you know it too

you walked into my house  
i had no clue  
i was outside  
you little poo

ohh my god!

you don't have digital cable  
so you watched porn at my house  
i wish you didn't do that  
but i guess its over now

i hope that i'm not gone whe your parents are gone  
because you say that lemonade tastes goood  
and i would like to have some at your house  
that would be fun

right now your at camp and i'm alone with mary  
wishing your were on-line because she gets kinda  
scary

i've noticed that when you are gone, i have no life  
because you're always on-line and when your not  
i don't have anyone to talk with

oh tussy wussy bam bam is lonely without juan  
and mara wara boom boom wish she was with phil

ohhh ohhh but thursday will come  
and then i can talk to you  
and that will be grand  
ohhh yeaaa ohhh yeaa

you still smell like cheese, though.....thats gross  
whoaaaa gross  
heyyyy GROSS
