There's a fire in my eyes
It should come as no surprise to you
If I've shown you once or twice
How I feel it's because it's the truth
You know that it's true

Wanted to tell you so many times
How I feel when you're with me
Now that I've found you
I know that you are my destiny

I-I-I love you more than you know
This feeling's so strong inside
I won't let you go
(I'm)
Afraid to show it
'Cuz I don't wanna blow it
(Blow it)
I love you more than you know

You know you've got me hypnotized
That's something I should hide from you
If I feel so mesmerized
It's because of the things that you do
The things that you do

I only wish I could read your mind
So I'd know just how you feel
(Just how you feel)
Send me a signal
Tell me your feelings are just as real
(Just as real)

I-I-I love you more than you know
This feeling's so strong inside
I won't let you go
(I'm)
Afraid to show it
'Cuz I don't wanna blow it
(Blow it)
I love you more than you know

I don't mean to put you under pressure
But it's something that I can't control
(I can't control)
And though I'd give you the world if I could
I'm afraid to let you know
'Cuz I don't wanna lose your love
(Love, love, love, love, love, love, love)

Wanted to tell you so many times
How I feel when you're with me
(When you're with me)
Now that I've found you
I know that you are my destiny
(Destiny)

I-I-I love you more than you know
This feeling's so strong inside
I won't let you go
(I'm)
Afraid to show it
'Cuz I don't wanna blow it, no, no

I love you more than you know
This feeling's so strong inside
I won't let you go
(I'm)
Afraid to show it
'Cuz I don't wanna blow it
(Blow it)

I love you more than you know
This feeling's so strong inside
I won't let you go
(I'm)
Afraid to show it
'Cuz I don't wanna blow it
(Blow it)

I love you more than you know
This feeling's so strong inside
