Burnin' inside yeah, burnin' inside yeah  
Oooh, burnin' inside yeah, burnin' inside now yeah...

Yeah...

So many times have I asked you to tell me  
That I'm your girl  
Time after time I have needed a reason  
Just to get inside your world  
So many times have I asked you to ask me  
How it feels to love  
And when it's love seems the only conclusion  
That I'm guilty of  
Oh baby then you

Put your loving arms around me  
And it feels like shelter when you  
Put your loving arms around me  
And inside your arms I'm burning  
Put your loving arms around me  
And you whisper to me when you  
Put your loving arms around me  
And inside this love I'm yearning

Mmmm...

And sometimes the way that you act makes me wonder  
What I am to you  
And sometimes I can't stand the way that I'm acting  
To be part of the things you do  
Often I've asked you for too much of your time  
I've been stealing  
And when I dream of the fear that you're leaving  
Then I reach out  
Oh baby then you

Put your loving arms around me  
And it feels like shelter when you  
Put your loving arms around me  
And inside your arms I'm burning  
Put your loving arms around me  
And you whisper to me when you

Put your loving arms around me  
And inside this love I'm yearning

Yearning, yearning  
Inside this love I'm yearning...

Oooh, burnin' inside yeah, burnin' inside yeah  
Burnin' inside yeah, burnin' inside  
Burnin' inside yeah, burnin' inside yeah  
Yeah, yeah...

Baby then you  
Put your loving arms around me  
And it feels like shelter when you  
Put your loving arms around me  
(Burnin' inside yeah, burnin' inside)  
Put your loving arms around me  
(Burnin' inside yeah, burnin' inside yeah)  
Put your loving arms around me  
(Burnin', burnin', burnin', burnin')

Yearning, burning, yearning  
Inside this love I'm yearning, burning, yearning...
