In a manner of speaking
In a manner of speaking I just want to say
That I could never forget the way
You told me everything
By saying nothing
In a manner of speaking I don't understand
How love in silence becomes reprimand
But the way I feel about you is beyond words
Oh give me the words
Give me the words
That tell me nothing
Oh give me the words
Give me the words
That tell me everything

In a manner of speaking Semantiks won't do
In this life that we live we only make do
And the way that we feel might have to be sacrificed

So in a manner of speaking
I just want to say
That like you I should find a way
To tell you everything
By saying nothing
Oh give me the words
Give me the words
That tell me nothing
Oh give me the words
Give me the words
Give me the words
Give me the words
Give me the words
