When she's on her best behavior  
Don't be tempted by her favors  
Never turn your back on mother earth

Towns are hurled from A to B  
By hands that look so smooth to me  
Never turn your back on mother earth

Grasp at straws that don't want grasping  
Gaze at clouds that come down crashing  
Never turn your back on mother earth

Three days and two nights away from my friends  
Amen to anything that brings a quick return  
To my friends, To my friends

Never turn your back on mother earth

I'll admit I was unfaithful  
But from now on I'll be more faithful

Never turn your back on mother  
Never turn your back on mother  
Never turn your back on mother earth
