ain't it your foolish heart which rules your hand
ain't it a greedy thought to cheat a friend
Martin ain't it your silent wish to be the king
ain't it a weaking who's killing for money and things
Jondo

tell me man where is your knowledge
you'll never see smoke without fire

Caught

tell me man where are you gone
gone and gone

sell your soul but when you wake up
In wake up wake up

you'll receive a bag of scorn
Ghetto

you are caught in a ghetto caught in a ghetto
caught in a ghetto of your own

Songtexte so you fall in the pit woe
fall in the pit woe

Songtext you've been digging for all the souls

and in these hard times of trouble
Lyrics you will be far way from their side
and when they call the offender
Lyric there is a day which you deny

oh man you got that money
Liedertexte and greedy dogs won't ever bite
judge I see that honey
Liedertext you vow as easy as you lie

look into your heart if you really build a cornerstone
Alle fighting their religion man you're eating flesh and
bone

who's killing for the righteous
Martin he will never earn the throne
sitting ina ghetto in a ghetto of your own bless

Jondo

we're all depending on fire Jah love and crystal waters
Caught this is how we express the present to all the

sons and daughters
In life ain't no prison but still the civilized is the
privileged
Ghetto somebody save me and lead me to the bridge
and

history is painting
Songtexte a bloody vision on your flag
but your boat isn't shaking
Songtext you're swearing you obey your God
man don't you know that looks are deceiving
Lyrics and tomorrow never dies
no never dies

you are caught in a ghetto caught in a ghetto
Lyric caught in a ghetto of your own
so you fall in the pit woe
Liedertexte fall in the pit woe
you've been digging for all the souls
