If ever you wondered  
If you touched my soul  
Yes you do  
Since I met you I'm not the same  
You bring to everything I do  
Just the way you say hello  
With one touch I can't let go  
Never thought I'd fall in love with you  
Because of you my life has changed  
Thank you for the love and the joy you bring  
Because of you I feel no shame  
I'll tell the world just because of you  
Sometimes I get lonely  
And all I gotta do is think of you  
You captured something inside of me  
You make all of my dreams come true  
It's not enough that you love me for me  
You reached inside and touched me internally  
I Love You best explains how I feel for you  
Because of you my life has changed  
Thank you for the love and the joy you bring  
Because of you I feel no shame

I'll tell the world just because of you  
The magic in your eyes  
True love I can't deny  
When you hold me  
I just lose control  
I want you to know  
That I'm never letting go  
You mean so much to me  
I want the world to see  
It's because of you  
Because of you my life has changed  
Thank you for the love and the joy you bring  
Because of you I feel no shame  
I'll tell the world just because of you  
My life has changed  
Thank you for the love and the joy you bring  
Because of you I feel no shame  
I'll tell the world just because of you  
Because of you...
