All the time I been knowin' you
Who'd have known we would end up here
It took me so long to say the words
And to overcome my fears
Cos when I see you walkin' hand in hand
I have to close my eyes
Cos I know the love you gave to him
Should rightfully be mine

He breaks her down
I pick her up
And back to him she goes
He treats her wrong
I make her strong
And back to him she goes
She goes, she goes, she goes, she goes

It's 2 o'clock in the mornin'
Answer my phone and I hear you cryin'
You say you need me to pick you up
And I question myself why
But I know I just can't wait to see you
I must be a fool
I just keep on telling myself this time
She'll be here for good

And for that moment
I feel like my half is now my whole
But still the same cycle continues
You're right back in his arms

He breaks her down
I pick her up
And back to him she goes
He treats her wrong
I make her strong
And back to him she goes
She goes, she goes, she goes, she goes
She goes, she goes, she goes, she goes

He breaks her down
I pick her up

And back to him she goes
He treats her wrong
I make her strong
And back to him she goes

He breaks her down
I pick her up
And back to him she goes
He treats her wrong
I make her strong
And back to him she go-ooo-ooo-ooes

He breaks her down
I pick her up
So back to him she goes
He treats her so wrong
I make her strong
And back to him she goes
She goes
