Drivin myself insane.
Been bestfriend for two years,
Closer then you can imagine.
Talked to each other daily.
I don't know just where it happened.
If only I could tell you how I feel inside.
(Oh girl you got me.)
Losing sleep, I'm thinking.
Can't imagine how it feels to see you riding around with
the wrong guy.
Tell me how do I take his place.

You already know.
Love's (capable?)
Can't you see who's been there all along.
And I know I can be wrong.
Oh tell me why...

[Chorus]
Did I have to fall in love with you.
I'm drivin myself insane.
I don't know.
Without you I can't function no more.
And you, will never look at me the same.
You know it's really drivin me insane.
I don't know.
Without you I can't function.
I'm drivin myself insane (x2)

Hardest thing about this confession.
Is it just my doing what we had.
I don't want to lose what we got.
But it's a chance I'll have to take.
Don't want to spend my whole life wondering what it
feels like.
Being there beside you and kissing you all night.
See I've been making a mistake.

You already know.
Love's (capable?)
Can't you see who's been there all along.
And I know I can be wrong.

So tell me why...

[Chorus]

Did I have to fall in love with you.
I'm drivin myself insane.
I don't know.
Without you I can't function no more.
And you, will never look at me the same.
You know it's really drivin me insane.
I don't know.
Without you I can't function.

And is it loving you when you lovin him.
Cause no words can describe.
How it leaves me empty inside.
All I want is you.
All I want is you.

[Chorus]

And why did I have to fall in love with you.
I'm drivin myself insane.
I don't know.
Without you I can't function no more.
And you, will never look at me the same.
You know it's really drivin me insane.
I don't know.
Without you I can't function.
I'm drivin myself insane. (x4)
