I say that I care about you  
But never live up to what I say  
And now I can't breathe without you  
Your so far away

I'm hoping if I give you space  
Maybe in time  
You'll find a way for me to be  
Back in your life

But I couldn't blame you  
If you ignore me  
and never speak my name  
I know Im the reason  
For you leaving  
And causing your heartache  
So how do I say the words Im sorry  
When I know that words are not enough  
And how can I ask you to forgive me  
When I know I can't forgive myself  
I'm sorry  
I'm sorry

Baby I'm sorry  
I mean it, I'm sorry  
I want you to know I'm sorry

I know everyone keeps saying  
If it happened once, it will happen again  
But I swear Ive learnt my lesson  
And I refuse to believe that this is the end  
Feels like the world has turned on me  
I'm falling down  
And I'll only keep on falling  
if your not around

But I couldn't blame you  
If you ignore me  
and never speak my name  
I know Im the reason for you leaving  
And causing your heartache

So how can I say the words I'm sorry  
When I know that words are not enough  
And how can I ask you to forgive me  
When I know I can't forgive myself  
I'm sorry

Baby I'm sorry  
Baby I'm sorry  
I want you to know I'm sorry  
Baby I'm sorry  
Baby I'm sorry  
I want you to know

And I couldn't blame you  
If you ignore me  
and never speak my name  
And I know I'm the reason for you leaving  
And causing your heartache  
So how do I say the words I'm sorry  
When I know that words are not enough  
And how can I ask you to forgive me  
When I know I can't forgive myself  
How do I say the words I'm sorry  
When I know that words are not enough  
And how can I ask you to forgive me  
When I know I don't forgive myself  
I'm sorry
