When she's on her best behavior  
Don't be tempted by her favors  
Never turn your back on mother earth

Towns are hurled from A to B  
By hands that looked so smooth to me  
Never turn your back on mother earth

Grasp at straws that don't want grasping  
Gaze at clouds that come down crushing  
Never turn your back on mother earth

Three days, two nights away from my friends  
Amen to anything that brings quick return  
To my friends, to my friends

I'll admit I was unfaithful  
From now on I'll be more faithful

Never turn your back on mother  
(Never turn your back)  
Never turn your back on mother  
(Never turn your back)  
Never turn your back on mother earth  
(Never turn your back)
